Attention gardeners! Grow your own fruit and veg in the huge back yard of this wonderful home in Summerside. Over 9000 sf, the fenced pie lot already includes raised beds, and the current owners enjoy cherries, apples, honeyberry (Haskap), strawberries, rhubarb, currants and asparagus all from their own yard. There's a 2 level composite deck for soaking up the sun and plenty of room for a trampoline and a hot tub if you like! You'll appreciate the move-in condition of this family home. New paint, vinyl plank flooring and carpet are found throughout. The main floor plan features an open kitchen/dining/family room area overlooking the back yard, and there's a main floor den! Upstairs you'll find a large laundry room with sink and sunny window. The primary suite is lovely featuring a jet tub and large walk-in closet. Two other bedrooms are a good size, and you'll love the sunny bonus room! The basement is open and ready for future development. Fabulous location with Summerside lake facilities nearby!
