Aspen Gardens, Edmonton, AB

Located on the prestigious Aspen Drive, minutes from the ravine, this unique walkout home blends intentional design with thoughtful materials. The open-concept living & dining area features refinished knotty pine hardwood and twin vintage sputnik chandeliers. In the kitchen & main bath, Portuguese cork adds warmth and durability underfoot, paired with Bosc & AEG appliances. A mirrored skylight brightens the foyer, guiding light into the heart of the home. Above the garage, an architecturally designed extension tucks you away in the tree canopy and offers bamboo floors, cathedral ceilings, skylights, & expansive windows. The lower level includes 4 bedrooms, a 5-piece bath with dual vanities, and a private ensuite. A main floor bedroom offers custom built-ins and a walk-in closet. Completed with 2x6 exterior walls, new vinyl siding, a large balcony, covered patio, and a hand-built masonry oven, this home is designed for social gatherings, comfort, creativity, and connection to its natural surroundings.
